Hey, Hylton, just checking to see if you have any photos of the inside of the buildings on the Dico property? I'm trying to show the deterioration of the 'encapsulation'. Unfortunately, the photos that the USACE took inside the buildings during the 5YR didn't come out.

Hylton, I can't remember if you had a camera during our 5YR site visit or not. If so, do you have any photos showing the conditions inside the buildings, either from the 5YR site visit or from another previous site visit?
